

The 51st Annual Taste of Maryland Agriculture will take on a new look in 2021, due to the COVID-19 pandemic. However, the Maryland Agriculture Board of Directors invites you to participate virtually in this dynamic, educational and memorable event, set for Thursday, February 4, 2021.

As this event is the Council's principal fund-raiser, we are reliant on your sponsorship to provide the financial resources to accomplish the Council's mission to promote Maryland Agriculture and educate the public on its importance through legislative communication, grants programs and publications. The need to protect our industry is even more important in these uncertain times.

As a sponsor, you will have the opportunity to show Maryland's agricultural community and lawmakers your support and dedication to promoting continued growth and health of the state's number one industry. You can help us build the platform to advocate, educate and give back to our community through our interactions with Maryland legislators and the general public.

Please take a few moments to review the enclosed materials and see which opportunity meets your needs. You will find a wide range of sponsorship levels. If you have any questions, please do not hesitate to contact Susan Summers at 240.446.3601 or ssummers@comcast.net.

Again, thank you for your interest in Maryland Agriculture!

Sincerely,

Doug Lechliden
