

*“Taste of Maryland Agriculture”*  
NETWORKING • FOOD • CONVERSATION  
with your agriculture industry leaders

November 2020

Dear Friend of Maryland Agriculture,

Like most events this year, the 51st Taste of Maryland Agriculture Celebration will look very different. However, we hope you make plans to join us virtually at 7 p.m. Thursday, February 4, 2021.

Our mission, to promote agriculture and educate lawmakers about its importance to every citizen in Maryland, is more important this year than ever. We hope you will join us to celebrate in a unique way. We are anxious to have greetings from our Governor and legislative leaders, highlight our agricultural youth leaders, present the Maryland Agriculture Council Ag Education Grants and introduce the new inductee to the Governor’s Agricultural Hall of Fame.

While we cannot be together to share a bounty of Maryland agricultural products, we hope you will prepare your own locally grown meal and toast to the state’s number one industry while watching the program. A link will be provided prior to the event on our website and on social media.

We greatly appreciate your past support. This year, we are asking you to consider a donation to benefit the Council’s agricultural education grants or other Council projects. A donation of \$50 or more from you, your business or organization will be recognized during the program. Please complete the attached form if paying by check, or use a credit card on our Eventbrite link: <https://2021-taste-of-maryland-agriculture-celebration.eventbrite.com>.

For more information, call Gail Yeiser at 410-353-3069. Additional information and donation forms can be found at [www.mdagcouncil.com](http://www.mdagcouncil.com) and make sure you “like” us on Facebook to get updates. For more information on the Maryland Agriculture Council, call Susan Summers at 240-446-3601.

We look forward to joining together virtually to celebrate Maryland Agriculture on February 4<sup>th</sup>!

Sincerely,

*Nancy Nunn*

Nancy Nunn, President

The mission of the Maryland Agriculture Council, Inc. is to promote Maryland Agriculture and to educate the public on its importance. The Council is committed to ensuring and promoting a viable agriculture industry in Maryland under the leadership of a board of directors representing the broad scope of agriculture.
